Experience

Design

- for Events and production

I did a logos and visual design of the podcasts by Petr Schwank in winter 2019. It was first experience that I worked for firm. I could tried to communicate with other graphic designer. I had a feedback from others designer.

- for Driving school Honza Polák

I did a redesign for webdesign, logotype, posters and visual materials for driving school.

- for Blanka Matragi

I did redesign of logo for Banka Matragi. Logo was vector graphic design composed by lined. Logo could used for many different materials like clothes, glass, paper, metal and jewel.

Another experience

Manager McDonald's

CTC - crew trainer course

SMC - shift manager course

I'm person that love to work with people. Prepare activities, leading crew, Beef integrity standards and experience with HACCP book. Leading an unexpected problems.
